

Dear member of the Sherford and Brixton communities,

As Sherford continues to grow and develop, work is sometimes necessary on the existing road network in the local area. We are contacting you regarding work soon to start between Sherford and Brixton, which may impact roads that you use.

From 3rd January 2023, a section of road will be closed on Stamps Hill / Red Lion Hill. This is essential for a new section of Sherford to be built, and for a new route to be created.

The work is expected to take up to 16 months to be completed and the section of Stamps Hill / Red Lion Hill will remain closed during this time.

This work has been agreed with Devon County Council and Plymouth City Council, and diversions have been agreed to enable alternative routes around this area. To connect Brixton with Sherford and the A38 during the closure, diversions will be in place along Hercules Road, Haye Road and the A379.

Following the work, a new route will open, connecting Stamps Hill to the newly created Southern Avenue in Sherford. More information on this new route will be shared nearer the time.

We apologise for any inconvenience caused during this essential work and thank you in advance for your patience. If you have any questions, you can email the project team at [info@sherford.uk](mailto:info@sherford.uk) or ring the information line on 07960 540438.

Yours sincerely,  
The Sherford Consortium

Please see below a map of the local area, the section of road that will be closed, and the agreed diversion route:
